John Muller, Chair
SF Bay Regional Water Board
1515 Clay St. #1400
Oakland, CA 94612

Dear Mr Muller,
The SF Bay is filled with trash. It destroys recreation, impacts water quality + kills marine wildlife. The Board's proposed permit would require cities + counties to meet a cleanup level of 100 pieces of trash for every 100 feet in a trash "hot spot" — this does not go far enough. Our precious Bay deserves the highest level of protection — zero trash!

Sincerely,
Judy Summers
