Dear Mr. Muller: 3/20/09

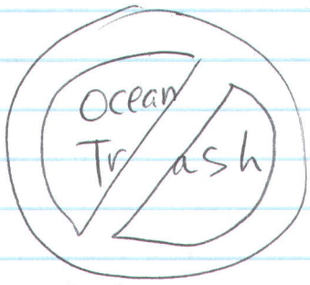
The SF Bay is completely, disgustingly loaded with trash. This is destroying recreation, impacts water quality, and kills marine life.

The Board's proposed permit would require cities & counties to meet a cleanup level of 100 pieces of trash for every 100 feet ~~of~~ in a trash "hotspot" - What?! This is NOT enough!

Our precious Bay deserves the highest level of protection & respect - zero trash!

Thank you!

Sincerely,



Stephanie Suzanne Brendle
