John Muller, Chair
S.F. Bay Regional Water Board
1315 Clay St. Suite 1400
Oakland, CA, 94612

Dear Mr Muller,

The SF Bay is filled with trash. It destroys recreation, impacts water quality, & kills marine wildlife. The Board's proposed permit would require cities & counties to meet a cleanup level of 100 pieces of trash for every 100 feet of trash "hot spot" - this does not go far enough. our precious Bay deserves the highest level of protection - zero trash!

Sincerely,

Salvatore J Conyagno
