John Muller, Chair
S.F. Bay Regional Water Bd
1515 Clay St, Ste 1400
Oakland CA 94612

Dear Chairperson Muller

Trash in the Bay destroys the eco-system and wildlife and aesthetic values of this incomparable treasure. The Board should take every possible step to limit trash to zero, like Region 4. The proposal of 100 pieces of trash per 100 feet would allow trash to continue to sully our shoreline. The Bay deserves the best - zero trash!

Sincerely
