I Requested and was refused, en masse,

★ AN INDIVIDUAL HEARING ★

Please these "charges" that have been made at me, with NO explanation of "WHY?" ASSUMING my "GUILT" and ordering me to appear have my evidence "censored" to "prove" avoiding ruination, I should NOT be forced to do anything.

IT'S UNBELIEVABLE, BUT TRUE.

I BELIEVE IT'S NOT TOO LATE FOR ALL OF YOU to RE-THINK THESE HORRIFFIC PLANS.

I AWAIT YOUR REPLY (within 10 days)

THANKS,
