The Water Board Chairman has set forth the following rules regarding this case:

1. The Prosecution Team shall send a letter, via certified mail, to all Designated Parties who have not submitted testimony in this case, requesting confirmation on whether they intend to appear at the Water Board's hearings on individual Cease and Desist Orders. The Prosecution Team shall send this letter by July 14, 2006, and the letter will request a response from the Designated Parties by August 4, 2006.

2. Only Designated Parties or their attorneys shall be entitled to present evidence or argument to the Water Board for each Designated Party; anyone other than attorneys admitted to practice by the State Bar of California who intends to represent or speak for Designated Parties in this proceeding (*i.e.*, act as an "attorney-in-fact") must provide the Water Board with a notarized power of attorney from each Designated Party they intend to represent. The notarized power of attorney must clearly state that the person authorized to act as attorney-in-fact is specifically authorized to:

    a. Represent the Designated Party's interest in the Water Board proceedings to consider proposed individual Cease and Desist Orders for Los Osos residents.
    b. Speak for the Designated Party at hearings.
    c. Receive service of process for the party for all documents related to the proceeding.

    Designated Parties who grant power of attorney to a representative (attorney-in-fact), as noted above, will be bound by their representative's statements or testimony in these proceedings.

Notarized power of attorney documents shall be sent to:
