Dear Mr. Odermatt:

Subject: Postponement of Addendum #1 to "Waste Discharge Requirements Order No. R9-2003-0306 for the Prima Deshecha Landfill" File No. 06-0261.02

On January 11, 2004, The California Regional Water Quality Control Board - San Diego Region issued a Tentative Addendum No. 1 to Order R9-2003-0306 to be considered for adoption on February 11, 2004. On January 21, 2004, the CRWQCB-SD, after discussions with County of Orange IWMD representatives, agreed to postpone consideration for adoption of Tentative Addendum No. 1 until further notice. A copy of the previous correspondence is attached for your reference.

IWMD respectfully request that Tentative Addendum No.1 be placed on the CRWQCB-SD agenda for consideration. IWMD anticipates that design of the next phase of landfill liner will occur in November 2005, and would appreciate if the Addendum would be adopted before that date.

Should you have questions concerning the abandonment, please contact George Ker at (949) 728-3042 or e-mail him at george.ker@iwmd.ocgov.com.

Sincerely,

Kevin H. Kondru
