CALIFORNIA REGIONAL WATER
MAR 23 2009
QUALITY CONTROL BOARD

John Muller, chair
SF. Bay Regional Water Board
1515 Clay Street, Suite 1400
Oakland, CA. 94612

Dear Mr. Muller:

The SF. Bay is filled with trash. It destroys recreation, impacts water quality, and kills marine wildlife. The Board's proposed permit would require cities and counties to meet a cleanup level of 100 pieces of trash for every 100 ft in a trash "hot spot" - this does not go far enough, our precious Bay deserves the highest level of protection - ZERO TRASH!!

Sincerely, Ailene Romero

STOP TRASH IN THE BAY!
