RECEIVED
JUN - 6 2007
SWRCB EXECUTIVE

have a project since - 8-25-5.
submit with health department.
Guest House - 3 Bedrooms 2 bath.
was reviewed by Donna Vilalta. REHS.
She said bring a letter from engineer.
that you not need Grading and is fine.
I got the letter. and she was not working that
date and I gave it to Greg Dellenbach R.E.H.S.
date. 9-26-05. 11:45 go with grading department
a get a letter from - Sam Gonzalez and is O.K.
with me. Sam - Gonzalez did not work this date and
I asked a Clerk to Call and Engeneer. and I talked
To - Engeneer John Brewington. he read the
report and he said you do not need graindingwork
On your lot. and he said go to health department.
tell them to read secondpage - and I went to
health department. and - Richard Conant - REH
was there. and I gave the letter from Soils Engeneer
and I tell them that I do not need grading work -
and Richard Conant. Said John Brewington is not the
person - to see. He took my letter and He went
with - different inspector and he tell them - to that -
I needed grading and John Brewington asked to be removed
and they did but Richard said to me you finish
with them. but you have to go with my Conditions

page (2)

and he Brogh Condition
you need to ~~[illegible]~~ do a deep test.
I tell him that I Submit
my plans - 8-25-07 and -
Deep test was - effective -
September - 1 - 2005
Richard - Block the Computer
for my Proget - I have
permits for permant foundation
and - I have - one Inspection
and Richard Conant. REHS

I need help -
Two of Inspectors of -
Building and Safty looked my
Septic and Leach Lines they said
they are fine.
