Dear Mr. Knight:

SUBJECT: CONSIDERATION OF ADOPTION OF TENTATIVE ORDER NO. R9-2010-0096, AN ORDER MODIFYING ORDER NO. R9-2005-0149 NPDES NO. CA0109088, KNIGHT AND CARVER YACHTCENTER BOAT REPAIR FACILITY DISCHARGE TO SAN DIEGO BAY

The California Regional Water Quality Control Board, San Diego Region (San Diego Water Board) intends to consider adoption of the subject tentative order at a San Diego Water Board meeting on August 11, 2010. If adopted, the tentative Order would add discharge requirements for the drydock Diligence to Knight and Carver Yachtcenter's NPDES Permit Order No. R9-2005-0149. It is our understanding that the drydock has been bought from BAE Systems. Adoption of the subject tentative Order would allow the use of the drydock for ship repair/construction work. Order No. R9-2005-0149 is being modified to add a new discharge point for the drydock.

The subject tentative Order will be presented to the San Diego Water Board on Wednesday, **August 11, 2010**. The meeting will begin promptly at 9:00 AM and will be held at the following location:

California Regional Water Quality Control Board, San Diego Region
San Diego Water Board Meeting Room
9174 Sky Park Court, Suite 100
San Diego, California

The tentative order is available for download from the San Diego Water Board's website listed below. Alternatively, contact us to request a paper copy.

www.waterboards.ca.gov/sandiego

You can find the subject order under "Board Decisions", "Tentative Orders".

Please review and comment on the tentative Order at your earliest convenience. It is recommended that written comments be submitted as soon as possible to enable staff to amend the tentative Order, if necessary, and allow changes to the tentative Order to be fully reviewed by the San Diego Water Board and interested parties. To ensure that the San Diego Water Board has the opportunity to fully study and consider written material, comments should be received in the San Diego Water Board's office no later than 5:00 p.m. on Wednesday, July 28, 2010. The final deadline for submittal of written comments, however, is at the Regional Water Board meeting on August 11, 2010.

The heading portion of this letter includes a San Diego Water Board code number noted after "In reply refer to:" In order to assist us in the processing of your correspondence please include this code number in the heading or subject line portion of all correspondence and reports to the San Diego Water Board pertaining to this matter.

If you have any questions regarding the above, please contact Ms. Kristin Schwall at (858) 467-2345, or via email at kschwall@waterboards.ca.gov .

Respectfully,

DAVID T. BARKER
Supervising Engineer
