Subject: RE: San Bernardino County Local Agency Management Plan

Thanks Jason – We are planning for a July 12-13 board meeting approval in Bishop. The drop dead date for us to mail/post the item is June 21, 2017. We would appreciate receiving the final LAMP and county's approval in early June so that we can complete the draft resolution recommending board adoption. How soon can you provide this?

Regards – Jay

Jehiel (Jay) Cass, P.E.
