California Regional Water Quality Control Board
Santa Ana Region

April 4, 2003

Staff Report

ITEM: *7

SUBJECT: Rescission of Waste Discharge Requirements for Specific Facilities, Order No. R8-2003-0051

DISCUSSION:

Waste discharge requirements for the facilities listed in Attachment "A" of Order No. R8-2003-0051 are no longer necessary because discharges from the facilities have been eliminated or because the discharges have no significant impact on the quality of waters in the area.

RECOMMENDATION:

Adopt Order No. R8-2003-0051, as presented.

In addition to the dischargers listed in Attachment "A", comments were solicited from the following agencies:

State Water Resources Control Board, Office of the Chief Counsel - Jorge Leon
State Water Resources Control Board – Jim Maughan
State Department of Water Resources - Glendale
State Department of Health Services, San Bernardino - Kalyanpur Baliga
State Department of Health Services, San Diego – Steve Williams
State Department of Health Services, Santa Ana
San Bernardino County Department of Environmental Health Services - Pam Bennett
San Bernardino County Transportation/Flood Control District - Naresh Varma
Riverside County Department of Health
Riverside County Flood Control and Water Conservation District

ORDER NO. R8-2003-0051

California Regional Water Quality Control Board
Santa Ana Region

ORDER NO. R8-2003-0051

Rescission of Waste Discharge Requirements
for
Specific Facilities

Tentative

The California Regional Water Quality Control Board, Santa Ana Region (hereinafter Board), finds that:

1. The Orders listed in Attachment "A" were issued by the Board at various times for the facilities described therein. Attachment "A" is hereby made a part of this Order. Waste discharge requirements for the facilities listed in Attachment "A" are no longer necessary because discharges from the facilities have been eliminated or because the discharges have no significant impact on the quality of waters in the area.

2. This action is based on the cessation of discharges of waste, which poses no significant adverse impact on the environment, or on the finding that specific discharges have no significant environmental impacts. As such, this action is exempt from the requirements of the California Environmental Quality Act in accordance with Section 15061 (b) (3), Chapter 3, Title 14 of the California Code of Regulations.

3. The Board has notified the dischargers and interested agencies and persons of its intent to rescind the Orders for the facilities listed in Attachment "A", and has provided them with an opportunity to submit written comments and recommendations.

4. The Board, in a public meeting, heard and considered all comments pertaining to the rescission of waste discharge requirements.

IT IS HEREBY ORDERED that the orders listed in Attachment "A" be rescinded.

I, Gerard J. Thibeault, Executive Officer, do hereby certify that the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, Santa Ana Region, on April 4, 2003.
