Course Description:

This class will provide an overview of the CA Water Boards' stormwater program. Class topics include the laws and regulations driving the stormwater program as well as some of the current issues and water quality concerns the program aims to address. This class is aimed at staff who are not already familiar with the program, but anyone interested in the stormwater program can benefit from the instructors' knowledge and experience.

Instructors:

Betsy Jennings, Staff Counsel III, Office of the Chief Counsel
Greg Gearheart, Sr. WRCE, Division of Water Quality

To Register: Water Board staff may register on-line at <http://waternet/training>. If you have questions about the registration process, please contact your training liaison.
