

Basic CEQA for the Waterboards Training - Pilot *2 Days*

Location & Date:

Sacramento – Region 5 Sacramento,
October 11 & 12, 2007

Time: 9:00 – 4:00

Course Description: Learn the basics about the California Environmental Quality Act (CEQA) and how it applies to Water Board programs and activities. This class introduces CEQA requirements and process constraints, explains how and why the Water Board responsibilities vary depending upon our role as responsible agency, lead agency or certified regulatory program. Numerous exercises and case studies will help relate CEQA requirements directly to the business of the Water Board.

Note: This class provides the foundation for subsequent training the Academy is planning for Spring 2008 that will cover CEQA for Certified Regulatory Programs in much greater depth.

Instructors: Terry Rivasplata, Erik Spiess and Steven Blum

Registration Fees: Paid through the Water Board Training Academy

To Register: Follow the training registration requirements, obtain all required approvals and then register on-line at <http://waternet/training>. Questions concerning the class may be addressed to Margie Youngs at myoungs@waterboards.ca.gov or (916) 341.5890.
