

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 78-70

AUTHORIZING THE AMENDMENT OF INTERAGENCY
AGREEMENT NO. 7 283 41 BETWEEN THE STATE
WATER RESOURCES CONTROL BOARD AND THE
DEPARTMENT OF FISH AND GAME

WHEREAS:

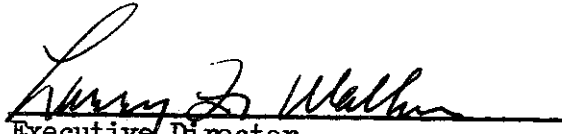

1. On April 20, 1978, the State Board approved Resolution No. 78-23, authorizing continued operation of the Marine Monitoring Program through June 30, 1979, by the Department of Fish and Game under Interagency Agreement 7 283 41.
2. On June 7, 1978, prior to execution of Interagency Agreement 7 283 41, a statewide hiring freeze imposed on state agencies prevented the Department from acquiring necessary staff to fulfill the Interagency Agreement on schedule.
3. Marginal field study conditions in some areas to be monitored will prevent completion on schedule.
4. It is mutually agreed that an extension is warranted.

THEREFORE BE IT RESOLVED:

That the Board's Executive Director be authorized to negotiate and execute an Amendment to Interagency Agreement 7 283 41 for an extension of the completion date to December 31, 1979.

CERTIFICATION

The undersigned, Executive Director of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on October 19, 1978.

Executive Director
