

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 90-97

PRIORITY SYSTEM FOR THE STATE REVOLVING FUND (SRF)
LOAN PROGRAM

WHEREAS:

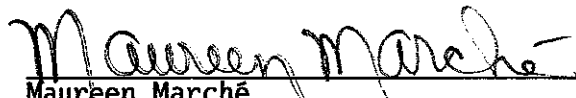

1. The federal Clean Water Act was amended in 1987 creating the SRF Loan Program making nonpoint source, estuary, and storm drainage projects and programs eligible for assistance;
2. On April 4, 1990, the State Board adopted the Water Quality Assessment which identifies those water bodies which should be given top priority for cleanup;
3. The existing Priority System does not provide for funding of the other eligible projects and programs, and does not provide for coordination of funding with the adopted Water Quality Assessment; and
4. The Division of Clean Water Programs has proposed a new Priority System Policy which combines funding for all eligible projects and programs under a single Priority List and which coordinates project funding with the State Board's Water Quality Assessment.

THEREFORE BE IT RESOLVED THAT THE STATE BOARD:

Approves the use of Policy in lieu of regulation and adopts the SRF Priority System Policy.

CERTIFICATION

The undersigned, Administrative Assistant to the Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on September 20, 1990.
