

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 93-39

AUTHORIZING AN INCREASE IN THE MAXIMUM HOURLY
CHARGE ALLOWABLE IN THE LOCAL OVERSIGHT PROGRAM (LOP),
IN THE UNDERGROUND STORAGE TANK (UST) PROGRAM

WHEREAS:

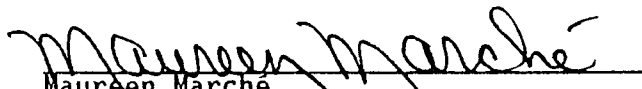

1. Leaking UST sites require cleanup to protect drinking water supplies and other beneficial uses of ground and surface waters.
2. The State Water Resources Control Board's policy on USTs encourages local agencies to play a strong role in supervising the investigation and cleanup of leaking USTs.
3. The Local Oversight Program has been established to provide funds to local agencies for the oversight of investigation and cleanup at leaking UST sites.
4. Assembly Bill 3560, Statutes of 1990, directs the State Water Board to adjust the maximum site-specific hourly charge paid to LOP agencies based on the National Deflator Index. Using the Index, the applicable rate for Fiscal Year 1993-94 is \$125 per hour. The appropriate State and Regional Water Board rate is \$38 per hour.

THEREFORE BE IT RESOLVED THAT:

The State Water Board authorizes staff to increase the maximum site-specific hourly rate paid to Local Oversight Program agencies to \$125 per hour for the Fiscal Year 1993-94 contract and State and Regional Water Boards rate to \$38 and adjust the rate annually based on the National Deflator Index.

CERTIFICATION

The undersigned, Administrative Assistant to the Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on April 27, 1993.

Maureen Marche
Administrative Assistant to the Board
