February 23-24, 2009
Inland Empire Utilities Agency
6075 Kimball Avenue
Chino, CA 91708

NOTICE IS HEREBY GIVEN that the Water Quality Coordinating Committee will hold a meeting to provide a water education workshop for its members. The Water Quality Coordinating Committee consists of the members of the State and Regional Water Boards, and a quorum of the individual boards may be present. This workshop is for informational purposes only. No regulatory action will be taken at the workshop. The meeting will commence at 8:30 a.m. on February 23 and 8:20 a.m. on February 24.

BACKGROUND AND WORKSHOP FORMAT

As Board Members are newly-appointed to the State and Regional Water Boards, and as the complexity of water issues in the State continues to rise, it has become increasingly important to provide orientation and educational forums on topics that concern the roles of Water Board Members. This day and a half workshop for new and continuing Water Board Members will include presentations and panel discussions.

Individuals who require special accommodations are requested to contact the Office of Employee Assistance at (916) 341-5881.

AGENDA

The [agenda](#) for this educational workshop is posted to the State Water Board's web site. Details of the agenda are subject to change. For more information, please contact Gail Linck at (916) 341-5285 or glinck@waterboards.ca.gov.
