Jeanine Townsend, Clerk to the Board
State Water Resources Control Board
1001 I Street, 24th Floor
Sacramento, CA 95814

Dear Ms. Townsend,

The City of Antioch has reviewed the draft Urban Water Supplier Conservation Standard tiers and the CIMIS ETo Zone map. The City has been placed in CIMIS ETo Zone 8, which is not geographically correct. According to map Antioch should be placed in ETo Zone 14. Please correct the default designation and adjust the conservation standard for the City appropriately.

Please let me know if you have any questions or need more information.

Regards,
