WHEREAS, the Regional Board is the lead agency for this project under the California Environmental Quality Act and has conducted an Initial Study in accordance with title 14, California Code of Regulations, Section 15063, entitled *Guidelines for the Implementation of the California Environmental Quality Act*; and

WHEREAS, copies of the Initial Study and proposed Negative Declaration were submitted to the State Clearinghouse on March 23, 2004, and to the Clerks of Monterey, San Benito, San Luis Obispo, San Mateo, Santa Barbara, Santa Clara, Santa Cruz, and Ventura counties, and transmitted to or made available to all agencies and persons known to be interested in these matters and the public notice provided exceeded the legal requirements for such notice; and

WHEREAS, the Regional Board considered all testimony and evidence at a public hearing held on July 8, 2004, in San Luis Obispo, California, and good cause was found to approve the Initial Study and adopt a Negative Declaration; and

WHEREAS, based on the Initial Study, Negative Declaration, and the entire administrative record, the Regional Board finds that adoption of the proposed Waiver has no potential to adversely impact the environment; and

WHEREAS, the Regional Board finds, based on the draft Negative Declaration, including the Initial Study and hearing record, that adoption of the proposed Waiver will not individually or cumulatively have an adverse effect on wildlife, as defined in Fish and Game Code §711.2, or the habitat on which wildlife resources depend;

THEREFORE BE IT RESOLVED, that:

1. The Initial Study is approved and the Negative Declaration for the *Conditional Waiver of Waste Discharge Requirements for Discharges from Irrigated Lands* is adopted.
