**KEY INFORMATION**

**Location:** Rancho San Marcos Golf Course, 4600 Highway 154, Santa Barbara, Santa Barbara County.

**ACTION:** **Adoption of Order No. R3-2020-0081 Terminating Waste Discharge Requirements Order No. 97-31 and Monitoring and Reporting Program Order No. 99-48**

**SUMMARY**

Staff proposes termination of the waste discharge requirements (WDRs) associated with the Rancho San Marcos Golf Course. WDR Order No. 97-31 and the associated monitoring and reporting program (MRP) Order No. 99-48 regulates discharges of wastewater from Rancho San Marcos Golf Course.

Central Coast Water Board staff have determined that the discharge from the onsite wastewater treatment system (OWTS) is more appropriately regulated under the Santa Barbara County Local Agency Management Program (LAMP).

The findings of the attached order describe the facility and reasons for terminating the individual WDR and MRP in more detail.

**RECOMMENDATION**

Adopt Order No. R3-2020-0081 for the termination of individual WDR order for Rancho San Marcos Golf Course (Order 97-31) and MRP Order No. 99-48.
