Buckley Road Area Trichloroethylene (TCE) Investigation

Information included on this map is from San Luis Obispo County Environmental Health and Central Coast Water Board sampling events. There may be inaccuracies associated with some of the map details (e.g., available information on the location of a well on a given parcel was not accurate); please contact Sarah Treadwell at (805) 549-3695 or sarah.treadwell@waterboards.ca.gov with any corrections or if you have additional information or comments regarding this map.

Parcels

- No private wells exceeding 0.5 ug/L* TCE
- At least one private well with TCE between 0.5 to 5.0 ug/L
- At least one private well with TCE greater than 5.0 ug/L
- Public Supplied Water Service Areas

* ug/L = micrograms per liter
