### ***TRANSMITTAL OF ORDER RESCINDING WASTE DISCHARGE REQUIREMENTS, MERITAGE HOMES OF CALIFORNIA, MILNER TERRACE UNIT NO. 2 DEWATERING PROJECT, SAN JOAQUIN COUNTY***

On 28 January 2016, the Executive Officer of the Central Valley Regional Water Quality Control Board issued a Notice of Applicability granting coverage under the State Water Resources Control Board's *Statewide General Waste Discharge Requirements for Discharges to Land with a Low Threat to Water Quality* (Order 2003-003-DWQ) to Meritage Homes of California for construction dewatering at Milner Terrace Unit No. 2.

Your Notice of Termination, dated 14 January 2019, states that no further discharges from the project will occur and you wish to terminate coverage under the General Waste Discharge Requirements. Based on that information, coverage under Order 2003-003-DWQ-0143 is hereby rescinded.

If you have any questions about the rescission, please contact Scott Armstrong at (916) 464-4616 [sarmstrong@waterboards.ca.gov](mailto:sarmstrong@waterboards.ca.gov).
