

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
CENTRAL VALLEY REGION

RESOLUTION NO. R5-2007-0097

RESCINDING
WASTE DISCHARGE REQUIREMENTS ORDER NO. R5-2002-0042
(NPDES NO. CA0084816) AND
CEASE AND DESIST ORDER NO. R5-2002-0041
FOR
CITY OF FOLSOM
SANITARY SEWER COLLECTION SYSTEM
SACRAMENTO COUNTY

The California Regional Water Quality Control Board, Central Valley Region (hereafter Regional Water Board) finds:

1. The City of Folsom (hereafter Discharger) owns and operates a sanitary sewer collection system that conveys wastewater through the Sacramento Regional Sanitation District's (District) regional interceptors for treatment at the District's Sacramento Regional Wastewater Treatment Plant. Waste Discharge Requirements (WDRs) Order No. R5-2002-0042 (NPDES No. CA0084816), adopted by the Regional Water Board on 1 March 2002, prescribed requirements for operation of the sanitary sewer collection system. The WDRs included permanent corrective actions that were required to prevent future sewer system overflow events, for which the Discharger could not immediately comply.
2. Cease and Desist Order (CDO) No. R5-2002-0041, adopted by the Regional Water Board on 1 March 2002, provided a time schedule for the Discharger to complete the required corrective actions.
3. The Discharger submitted information dated 4 April 2007 supporting it has generally complied with its NPDES permit and CDO.
4. The Discharger has filed a Notice of Intent under the Statewide General Waste Discharge Requirements for Sanitary Sewer Systems (Water Quality Order 2006-0003) that prescribes waste discharge requirements for sanitary sewer collection systems. Therefore, the WDRs and CDO are no longer necessary.
5. The Discharger and interested parties were notified of the intent to consider rescission of the NPDES permit and CDO and provided an opportunity for public hearing and an opportunity to submit written views and recommendations.
6. The Issuance of this Order is exempt from the provisions of the California Environmental Quality Act (Public Resources Code, Section 21000 et seq.), in accordance with Title 14, California Code of Regulations, Section 15321.

IT IS HEREBY ORDERED that Waste Discharge Requirements Order No. R5-2002-0042 and Cease and Desist Order No. R5-2002-0041 are rescinded.

I, PAMELA C. CREEDON, Executive Officer, do hereby certify the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, Central Valley Region on 2 August 2007.
