Hello All,

Mr. McKelvey brought to our attention that the Fresno County Housing Authority should have been a named party in the draft resolution and mutual release. We have modified the draft resolution accordingly. The deed restriction section was also slightly modified.

The draft resolution, attachments, exhibits, and the Notice of Public Hearing are all attached for your review. The only two documents that have been revised from what was mailed on 27 July 2012 are the "Fresno Draft Resolution...." document and the "Dowbrands Autoline NOPH" document. The remaining documents are unchanged.

As stated in our original cover letter and the NOPH, persons wishing to comment on this item must submit testimony, evidence, if any, and/or comments in writing to the Central Valley Water Board no later than **5:00 p.m. on 27 August 2012**. Written materials submitted after this date and time will not be accepted and will not be incorporated into the administrative record if doing so would prejudice any party.
