Dellar Trust/City of Sacramento Water Board Meeting Agenda

Re: Former City of Sacramento Landfill

May 5, 2011

1. Introductions

2. Cal Recycle Grant

The Trust identified the opportunity for the City to secure a \$750,000 grant that the dischargers would like to pursue

3. Endangered Species Issues

Board guidance as to Final Closure Plan within the drip line

4. Detention Basin

Boring results suggest debris within the reach of the basins need guidance as to construction of basins and disposal options of excavated material

5. Property Survey

The property survey strongly suggests debris extends beyond the Dellar Trust parcel

6. Other Items
