DRAFT CLEANUP AND ABATEMENT ORDER FOR WALKER MINE, PLUMAS COUNTY

We have received your comments dated 30 August and 1 September 1997 on the proposed Cleanup and Abatement Order for the Walker Mine Property. We have determined that, at this time, there is no adequate evidence of pollution being discharged from your property at Walker Mine (APN 009-090-02). Your name will be removed as one of the Dischargers named in the proposed Cleanup and Abatement Order. If additional evidence indicates that your property is contributing to pollution from the Walker Mine site, the Cleanup and Abatement Order will be amended to include you.

If you have any questions, please contact me at (916) 255-3121.
