

CENTRAL VALLEY WATER QUALITY CONTROL BOARD
SUPPLEMENTAL HEARING PROCEDURE
CLEANUP AND ABATEMENT ORDER R5-2015-XXXX
FOR
LONGVIEW PRODUCTION COMPANY
SURFLUH LEASE, RAISIN CITY OIL FIELD
FRESNO COUNTY

The Central Valley Water Board has the authority to issue Cleanup and Abatement Orders (CAOs) and to require the submittal of technical and monitoring reports pursuant to Water Code sections 13304 and 13267, respectively. The Board's Prosecution Team has issued a Tentative CAO to Longview Production Company (Longview). The Tentative CAO would require that Longview assess potential water quality impacts at its petroleum production and petroleum wastewater discharge facility in Fresno County, and, if necessary, implement corrective actions to address those impacts. The Board has scheduled a hearing to consider the matter on the following date:

DATE: June 4 and 5, 2015
PLACE: Central Valley Water Board Offices
11020 Sun Center Drive #200
Rancho Cordova, CA 95670-6114

At the hearing, the Central Valley Water Board will receive testimony regarding the issuance of the Tentative CAO. After considering the evidence, the Board may issue the Tentative CAO as proposed, issue the Tentative CAO after modifying the Tentative CAO based on the evidence and testimony received, decline to issue an Order, or continue the hearing to a later date. The Board's Meeting Agenda will set the specific date of the hearing. The Meeting Agenda will be posted at least ten days before the meeting on the Board's website, at the following address:

http://www.waterboards.ca.gov/centralvalley/board_info/meetings

To ensure a fair hearing, the Board staff and attorneys that have issued the Tentative CAO (the "Prosecution Team") have been separated from the Board staff and attorneys that will provide legal and technical advice to the Board (the "Advisory Team"). Members of the Board's Prosecution Team have not communicated with the members of the Central Valley Water Board or the Board's Advisory Team regarding any substantive matter at issue in the proceeding.

The Board's Prosecution Team issued a Hearing Notice on 6 April 2015 that accompanied the Tentative CAO (the "Hearing Notice"). The Hearing Notice set deadlines applicable to the proceeding. This Supplemental Hearing Procedure contains additional provisions to ensure the fairness and orderly conduct of the proceeding.

I. Hearing Participants

Participants in the Tentative CAO hearing are considered either "Designated Parties" or "Interested Persons."

Designated Parties are the primary participants in the hearing. Designated Parties may submit evidence, may offer witnesses to testify at the hearing, are allowed to cross-examine adverse witnesses, and are subject to cross-examination.

Interested persons typically include members of the public as well as advocacy groups. Interested persons may present policy statements to the Board, but may not generally present evidence (photographs, eyewitness testimony, etc.). Interested Persons are not subject to cross-examination.

In this instance, the Hearing Notice allowed Interested Persons to submit evidence for this proceeding, provided that such evidence was received by **noon on 27 April 2015**. No evidence was received from any Interested Persons. Although no Interested Person has submitted evidence, Interested Persons may still speak at the hearing, provided that their statements are not evidentiary in nature.

At the hearing, both Designated Parties and Interested Persons may be asked to respond to questions from the Board, staff, or others, at the discretion of the Board Chair.

The following participants have been designated as Designated Parties in this proceeding:

1. Central Valley Water Board Prosecution Team
2. Longview Production Company

Anyone else who wished to participate in the hearing as a Designated Party was required by the Hearing Notice to submit a request to be so designated by **27 April 2015**. No such requests were received by the Board.
