SUBJECT: Date of Grading/Terracing Baker Ridge Property

File:

SUMMARY OF COMMUNICATION:

During an inspection of Mr. Chris Cordes Baker Ridge Rd. property on November 19th, 2014, Mr. Axner stated that his company had conducted work on that property during 2012 for Mr. Cordes. I, Roy "Trey" Sherrell checked county records the morning of November 24th and found that Mr. Cordes purchased said property in May of 2013. On November 24th, 2014 at approximately 13:45 I called Mr. Eddie Axner of Eddie Axner Construction Inc. via the main phone line for the Eddie Axner Construction Redding Office, 530-221-2103. I told Mr. Axner of my findings and asked him to check his records to determine when his company conducted work on Mr. Cordes Baker Ridge Rd. property. Approximately 20 minutes later, Mr. Axner called me on my office phone line, 530-224-4847, to inform me that his records indicated that his company had worked on said property during June of 2013. Mr. Axner stated that he was mistaken in his previous assertion that the work was conducted in 2012.

CONCLUSIONS, ACTION TAKEN OR REQUIRED:

Construction of both terraces and road widening on Mr. Cordes Baker Ridge property were conducted by Eddie Axner Construction during the month of June 2013.
