Paul,

Attached is A Greener Globe's, Amendment to the Postclosure Maintenance Plan (APPENDIX J-3) for the Berry Street Mall Sanitary Landfill, 901 Harding Blvd. Roseville, California 95678 SWIS Facility File Number 31-AA-0120. Placer County Environmental Health, Facility # FA0002639

We are emailing this to you, with a hard copy to follow on this Thursday, Via, U.S. Postal Service.

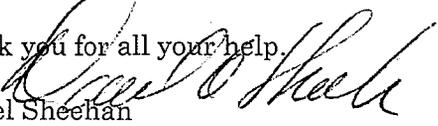

A Greener Globe is a California Non-Profit Corporation, filed with the State of California and The Federal Government in late 1993. A Greener Globes State of California tax exempt was issued in January 1994, likewise The IRS issued a tax exempt ruling in 1994. A Greener Globe is exempt under section 501 (c) (3).

The Amendment to the Postclosure Maintenance Plan, is necessary for A Greener Globe. The income from Green Acres Nursery is essential for the operation of our company. Should Green Acres be denied use of the additional parking space provided under APPENDIX J-3, they will not renew their lease.

With the new fencing around the landfill the past problems of parking on the landfill and protection the integrity of the landfill will be insured.

We are open to any suggestions to help solve our current problem, and I am able to meet with you anytime anyplace.

Thank you for all your help.

**APPENDIX J-3**

**Amendment to the Postclosure Maintenance Plan**

**For The  
BERRY STREET MALL SANITARY LANDFILL  
901 Harding Blvd. Roseville, California 95678**

**SWIS Facility File Number 31-AA-0120.  
Placer County Environmental Health, Facility # FA0002639**

**J-3 Amendment to the Postclosure Maintenance Plan for the South Improved Area.**

**PARKING:**

The Current Post-Closure Land use (Appendix J-1) allows use of the approximately 0.7 acre Alternate Final Cover Area, for parking to support the current mandated minimum parking space requirements for commercial use of the South Improved Area. This area is inside the Security enclosure of the Landfill. Additional parking area is now needed. With the enlargement of the approximately 0.7 acre Alternate Final Cover Area, to include a strip of land up against the security fencing along Galleria Blvd running Northerly to the end of the property line at the fountains project. The addition to the Current Post-Closure Land use (Appendix J-1) is 0.9 acre.

**SITE SECURITY:**

With the approval of this Amendment to the Postclosure Maintenance Plan, Security fencing will be constructed along the perimeter roadway around the landfill footprint. This secure fencing will protect the integrity of the landfill itself. This fence will have a locked gate allowing only the entrance to and exit from the landfill for inspection and maintenance of the site. This gate will be locked with no entrance to the general public.

**No other changes to The Current Post-Closure Land use (Appendix J-1).**

**GALLERIA BOULEVARD**
