

**This is the Water Quality Certifications Information Page of the Central Valley Regional Water Quality Control Board. If you need further information on any of the following pending certification applications, please contact the assigned staff person.**

County Name	Applicant	Project Name	Project Description	Comment Deadline	Contact Person
<b>BUTTE</b>	Michael Stoltey, MD3 Investments, P.O. Box 13914, San Luis Obispo, CA, 93406. Phone number: 8057107866. Email: <a href="mailto:Michael@Md3inv.com">Michael@Md3inv.com</a>	5A04CR00362 Feather Ranch Project	The Proposed Project is the subdivision of a 44.97-acre site into 172 single-family lots located at the southwest corner of the Feather Avenue/20th Street intersection in the City of Oroville	Friday, March 29, 2024	Staff Name: Warner, Daniel; Phone: (530) 224-4848; Redding; <a href="mailto:Daniel.Warner@waterboards.ca.gov">Daniel.Warner@waterboards.ca.gov</a>
<b>KERN</b>	Victor E. Aldama, California Department of Transportation, District 6. 2015 East Shields Avenue, Suite 100. Fresno CA 93726. Phone number: 559.383.5051. Email: <a href="mailto:victor.aldama@dot.ca.gov">victor.aldama@dot.ca.gov</a>	5C15CR00147 06-0X240 Kern 33 Culvert Rehabilitate Project	The purpose of the proposed project is to repair, replace, and/or rehabilitate 32 jurisdictional culverts at various locations on SR-33 in Kern County. The culverts have reached or exceeded their design life. They are partly or fully buried in sediment, perforated and heavily rusted, and some have damaged end treatments and joint separations. The project will help correct flooding issues within certain areas of the project limits. Up-sizing several of the culverts is also needed to reduce flooding potential and associated damages to the roadway.	Friday, March 29, 2024	Staff Name: Oilsley, Olivia; Phone: 916.464.4673; Sacramento; <a href="mailto:Olivia.Ilsley@Waterboards.ca.gov">Olivia.Ilsley@Waterboards.ca.gov</a>
<b>KERN</b>	Gerald Snow, California Department of Water Resources; 1416 Ninth Street, Room 604, Sacramento, CA 95814; 916-902-7051; <a href="mailto:gerald.snow@water.ca.gov">gerald.snow@water.ca.gov</a>	5C15CR00148 , DWR San Joaquin Field Division Operations and Maintenance Center Drainage Culvert	The proposed Project area is surrounded by agricultural land, oil fields, and minimal development. Development in the vicinity of the review area includes the California Aqueduct and the SJFD Operation and Maintenance Center. Cropland is north of the review area, and oil fields east of the review area are grazed.	Friday, March 29, 2024	Staff Name: Garcia, Ernesto; Phone: 559.445.6281; <a href="mailto:Ernesto.Garcia@waterboards.ca.gov">Ernesto.Garcia@waterboards.ca.gov</a>
