

NOTICE NON - APPLICABILITY

Submission of this Notice of Non-Applicability (NONA) constitutes notification that the facility operator identified is not required to comply with the Industrial Activities No. 97-03-DWQ Storm Water General Permit (General Permit). Please note that the State Board is in the process of revising General Permit. Once adopted, the NONA form may no longer be valid as the revised permit may no longer provide any exemption to certain category(s) of industries from the requirements of general permit.

VIII. CERTIFICATION

I certify under penalty of law that I am not required to be permitted under the current Industrial Activities Storm Water General Permit No. 97-03-DWQ for any facility that I operate. I understand that discharging storm water associated with Industrial activity to waters of the United States is unlawful under the Clean Water Act where the discharge is not authorized by a NPDES permit. I am aware that there are significant penalties for submitting false information on this form, including the possibility of fine or imprisonment. I also understand that the submittal of this Notice of Non-Applicability does not release a facility operator from liability for any violations of the General Permit or the Clean Water Act.
