Public Meeting Notice

Central Valley Pesticide Basin Plan Amendment

**Staff Workshop to Discuss Technical Reports
30 May 2008, Central Valley Water Board – Board Room**

The Regional Water Quality Control Board, Central Valley Region (Regional Water Board) staff will hold a public meeting to discuss and provide an update on the development of amendments to the Basin Plan for the control of discharges of pesticides into selected surface waters in the Sacramento and San Joaquin Valley's, including the Delta. Staff is developing for Regional Board consideration an amendment to the Basin Plan designed to establish water quality objectives and a program of implementation for pesticides that are impacting or could potentially impact aquatic life uses in these surface waters. Additional information about the proposed project is available on the Water Boards website at:

http://www.waterboards.ca.gov/centralvalley/water_issues/tmdl/central_valley_projects/central_valley_pesticides/index.shtml

This meeting will provide participants with an opportunity to discuss the recently released Relative Risk Evaluation and other reports, as well as an update on the status of the various aspects of the project. The following reports will be specifically discussed:

Draft Relative Risk Evaluation Report - Staff will discuss the public review draft report. Comments on the Public Draft are due by 9 June 2008. A copy of the report is available on the Regional Board's website at:

http://www.waterboards.ca.gov/centralvalley/water_issues/tmdl/central_valley_projects/central_valley_pesticides/risk_evaluation/index.shtml

Derivation of Pesticide Water Quality Criteria Methodology Report – Staff will provide a project status update and discuss with stakeholders public comments received, proposed responses to comments and revisions to the methodology. The draft report and public comments are available on the Regional Board's website at:

http://www.waterboards.ca.gov/centralvalley/water_issues/tmdl/central_valley_projects/central_valley_pesticides/criteria_method/index.shtml
