

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
COLORADO RIVER BASIN REGION

RESOLUTION NO. 82-33

EXPRESSING ACKNOWLEDGEMENT FOR AN EXCEPTIONAL
QUALITY OF PERFORMANCE BY THE STAFF OF THIS
REGIONAL BOARD

WHEREAS: The Members of this Regional Board believe that occasional recognition ought to be given to the Board's staff for professional competence and dedication, particularly in those instances where exceptional quality of performance and accomplishment are noted; and

WHEREAS: Recently, five auditors of the Environmental Protection Agency spent three days in this Regional Board's office, making a thorough audit of this Board's performance during the past several years on the following Federal Clean Water Act programs:

1. Prescription of NPDES permits,
2. Surveillance and monitoring, and
3. Enforcement;

and

WHEREAS: Said audit included thorough review of the Board's files, interviews with pertinent staff, and visits to several of the municipal sewage treatment plants in this Region; and

WHEREAS: Upon completion of their audit, the EPA auditors gave a congratulatory report on each and every aspect of this Regional Board's performance under the above-cited programs; and

WHEREAS: The EPA's Chief Auditor summarized by explaining that his report to the State Water Resources Control Board will place this Regional Board's performance under the above-cited programs as one of the best, if not the very best, of the Regional Boards in this State; and

WHEREAS: The Members of this Regional Board realize that while their entire staff is composed of hard-working and dedicated people, the above-cited exceptional quality of performance resulted particularly from the professional competence and dedication of the following staff personnel:
