This is a message from the State Water Resources Control Board

The State Water Resources Control Board (State Water Board or Board) has updated its website with a [Notice of Proposed Emergency Rulemaking](#) (Notice) for Emergency Actions to Establish Minimum Instream Flow Requirements, Curtailment Authority, and Information Order Authority in the Mill Creek and Deer Creek Watersheds and the [proposed rulemaking package](#).

The Notice, proposed rulemaking package, and additional information are also available at: https://www.waterboards.ca.gov/drought/mill_deer_creeks/

A preliminary draft of the proposed regulation was released by the Board, via email, on September 1, 2021. The Draft Resolution was released by the Board, via email, on September 10, 2021, as part of Item no. 15, on the Board's September 21-22, 2021 [Agenda](#).

If you are receiving this notice in a forwarded message and would like to receive email updates about the Mill Creek and Deer Creek watersheds drought effort, please sign up for the State Water Board's "Mill Deer Drought" [email subscription list](#) under "[State Water Resources Control Board](#)", then "Water Rights" at: https://www.waterboards.ca.gov/resources/email_subscriptions/

If you have questions related to this email, you may send an email to: DWR-MillDeerDrought@waterboards.ca.gov

Government Code section 11346.1, subdivision (a)(2), requires that, at least five working days prior to the submission of a proposed emergency action to the Office of Administrative Law (OAL), the adopting agency must provide a notice of the proposed emergency action to every person who has filed a request for notice of regulatory action with the agency. After the submission of the proposed emergency regulation to OAL, OAL shall allow interested persons five calendar days to submit comments on the proposed emergency regulations as set forth in Government Code section 11349.6.
