

**State Water Resources Control Board
Groundwater Ambient Monitoring and Assessment (GAMA) Program
Priority Basin Project
Borrego - Central Desert - Low Use Basins of the Desert Study Unit
Wrap-Up Meeting**

Thursday, April 28th, 2011
1:00 pm – 3:00 pm

Yucca Valley Community Services District
57090 Twentynine Palms Hwy
Yucca Valley, CA 92284
Cholla Room

AGENDA

- Introductions:
Meeting Overview
- GAMA Program Overview:
State Water Board
- Study Unit Design and Preliminary Results:
US Geological Survey
- Wrap-up and Adjourn

Background: The Borrego/Central Desert/Low Use Basins study unit consists of three study areas: Borrego Basin, Central Desert Basin, and Low Use Basins of the Desert. These areas are within San Bernardino, Kern, Los Angeles, Riverside, San Diego, and Imperial counties.

The GAMA Program was created as a result of statewide groundwater quality concerns and was later expanded by the Groundwater Quality Monitoring Act of 2001 (AB 599). The primary objectives of the GAMA Program are to improve comprehensive groundwater quality monitoring and to increase public availability of groundwater quality information. The State Water Board implements the GAMA Program with the US Geological Survey and Lawrence Livermore National Laboratory. Participation is voluntary.

Directions:

See next page for map.

Note:

Meeting date is subject to change. Please confirm your attendance with Julie Saturnio at 916 341-5860 or jsaturnio@waterboards.ca.gov. For more information, please visit www.waterboards.ca.gov/gama or contact John Borkovich (GAMA Program Manager) at jborkovich@waterboards.ca.gov.
