RESCISSION OF WASTE DISCHARGE REQUIREMENTS

FOR

**TURNEY MEDICAL OFFICE, BOARD ORDER NO. 6-00-27
WDID 6A098000190**

El Dorado County

The California Regional Water Quality Control Board, Lahontan Region (Water Board) finds:

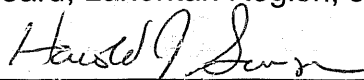

Turney Medical Office (formerly the Bateman Commercial Property)

On April 13, 2000, the Water Board adopted Board Order No. 6-00-27 updating waste discharge requirements (WDRs) for the Turney Medical Office (Facility) to reflect new ownership. The Facility is located at 1154 Emerald Bay Road in South Lake Tahoe.

Board Order No. 6-83-73 was adopted on May 12, 1983, for the discharge of waste earthen materials in storm water runoff from the Facility, a commercial building and an unpaved parking area. The owner did not comply with the requirements and was issued a Cease and Desist Order No. 6-92-87. The Cease and Desist Order was rescinded and WDRs were updated following a change in ownership of the Facility, which was sold in 2000 to Jeff Turney and Mary Kelly Shanahan (Dischargers). Prior to May 2003, the Dischargers completed the installation of a new, large infiltration basin sized to treat the flow from the Facility's impervious areas from a 20-year, 1-hour storm event; paved the parking area; and either covered or revegetated barren areas. A letter from the Dischargers requesting revocation of the WDRs was received in December 2005. It is therefore not against the public interest to rescind Board Order No. 6-00-27.

It is hereby Ordered that Board Order No. 6-00-27 be rescinded.

I, Harold J. Singer, Executive Officer, do hereby certify that the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, Lahontan Region, on October 11, 2006.
