## **SUBMITTAL OF TECHNICAL REPORT, FORMER BOBBY PAGE'S CLEANERS, VILLAGE CENTER, 4006 LAKE TAHOE BOULEVARD, SOUTH LAKE TAHOE, EL DORADO COUNTY**

Thank you for your June 30, 2008 submittal of information in response to our June 25, 2008 Water Code section 13267 request for a technical report. Based on the information that you submitted and the current information that we have from other sources, the current Bobby Page's Dry Cleaners and Leid's Incorporated are no longer considered potential responsible parties for tetrachloroethene (PCE) contamination associated with the former Bobby Page's Cleaners that was located in the Crescent V Center (Village Center) in South Lake Tahoe. The information submitted indicates that your involvement with Bobby Page's Cleaners was limited to the purchase of a Carson City location of Bobby Page's Cleaners and use of the Bobby Page's name at your dry cleaners locations.
