APPROVAL OF COMMENT PERIOD TIME EXTENSION, TENTATIVE WASTE DISCHARGE REQUIREMENTS - PENROSE LANDFILL, 8301 TUJUNGA AVENUE, LOS ANGELES, CALIFORNIA (FILE NO. 58-192, CI-2181, WDID NO. 48190320004)

Dear Mr. McAllister:

Reference is made to our letter dated July 1, 2015, which included tentative Waste Discharge Requirements (WDRs) and a monitoring and reporting program (MRP) for the Penrose Landfill (Landfill). The written comments deadline regarding the tentative WDRs is August 17, 2015. On August 3, 2015, you submitted, via email, a letter requesting a time extension of one month for the submittal of comments to allow time for you and new consultants/counsel to meet with Regional Board staff regarding the proposed tentative WDRs. Regional Board staff are amenable to meet with you regarding the proposed tentative WDRs, thus your request for a time extension of one month is approved.

This Regional Board will now consider the tentative WDRs and comments thereon, at a public hearing to be held at 9:00 AM on October 8, 2015, at the Board Room, Metropolitan Water District of Southern California located at 700 North Alameda Street, Los Angeles, California. Written comments regarding the tentative WDRs must be received at the Regional Board office by 5:00 PM on **September 17, 2015**. Comments received after this date will not be accepted into the record unless determined by the Chair of the Regional Board not to prejudice any party or the Regional Board.

If you have any questions, please contact Mr. Enrique Casas (Project Manager) at (213) 620-2299 or ecasas@waterboards.ca.gov, or Dr. Wen Yang, Chief of Land Disposal Unit, at (213) 620-2253 or wyang@waterboards.ca.gov.
