In accordance with administrative procedures, this Board at a public hearing to be held on April 14, 2016, at 9:00 A.M., at Metropolitan Water District of Southern California Board Room, 700

February 19, 2016

North Alameda Street, Los Angeles, California, will consider the enclosed tentative requirements and comments submitted in writing regarding any and all portions thereof. The Board will hear any testimony pertinent to this discharge and the tentative requirements. It is expected that the Board will take action at the hearing; however, as testimony indicates, the Board, at its discretion, may order further investigation.

Written submissions pertaining to this proposed Board action must be submitted to the Regional Board staff no later than 5:00 p.m. on March 19, 2016, in order to be evaluated by Board staff and included in the Board's agenda folder. Timely submittal of written comments is encouraged to ensure that all comments are accurately and fully included in the administrative record, that Board staff is able to provide timely review, and that Regional Board members have sufficient time to give full consideration to the comments and issues raised. The Regional Board chair may exclude from the record written materials received after this date. (See Cal. Code Regs., tit. 23, § 648.4.)

With respect to the public notices, in accordance with the Federal Clean Water Act, as amended, and the California Code of Regulations, you are required to follow the enclosed instructions for publication or posting of the notice not later than February 25, 2016. Proof of posting or publication of the notice must be received by the Executive Officer of this Regional Board no later than March 3, 2016.

If you have any questions, please contact Namiraj Jain at (213) 620-6003.

Sincerely,

Cassandra D. Owens, Chief
Industrial Permitting Unit
