## INSTRUCTIONS TO APPLICANT FOR WASTE DISCHARGE REQUIREMENTS

Water Replenishment District of Southern California Groundwater Reliability Improvement Project Advanced Water Treatment Facility (NPDES Permit No. CA0064645)

One copy of a notice of your report of waste discharge and a statement of posting form are enclosed. By July 20, 2017, you are directed to comply with <u>one</u> of the following methods of informing the public of your waste discharge:

- 1. Publish the enclosed public notice in a daily newspaper or periodical which circulates in the general locality to be affected by the discharge, or
- 2. Post copies of the enclosed public notice in conspicuous places near the entrance of the premises and in the locality to be affected by the discharge.

Any expenses arising from the posting or publication of the enclosed public notice shall be borne by the discharger.

You must file with this office proof of such posting or publication. Proof of posting shall consist of a statement executed on the enclosed form; proof of publication shall consist of an affidavit of the publisher or foreman of the newspaper, with a copy of the notice as published, attached proof of posting or publication must be submitted to this Board by July 31, 2017.

Failure to post or publish the public notice by the specified date may require us to reschedule this item for a later hearing and will require the posting or publication of a second notice.

David Hung, P.E., Chief

Watershed Regulatory Section
