

Azusa Landfill (tentative revised Waste Discharge Requirements)

The Regional Water Board will consider, at its May 7, 2009 meeting, adopting waste discharge requirements for the Azusa Landfill in Azusa, Los Angeles County, the operation of an approximately 262-acre existing inert waste landfill. If adopted, the waste discharge requirements would update environmental control measures for the continued landfilling operations. Written comments concerning Azusa Landfill may be sent to: Doug Cross, Los Angeles Regional Water Quality Control Board, 320 West 4th Street, Suite 200, Los Angeles, CA 90013 or dcross@waterboards.ca.gov.
