

**PERCHLORATE PUBLIC ADVISORY GROUP**

**LOS ANGELES REGIONAL WATER QUALITY CONTROL BOARD**

**Carmel Room 1st FLOOR  
320 WEST 4<sup>TH</sup> STREET  
LOS ANGELES, CA 90013**

**April 14, 2004  
9:00 AM – 12:00 PM**

***Focus and Purpose***

*The LARWQCB Perchlorate Public Advisory Group (PPAG) exists to: 1) provide an informal forum for the exchange of information about perchlorate, its impact to surface and groundwaters in Los Angeles and Ventura Counties, and contaminant control and remediation technologies; and 2) provide participants with information which will be helpful when developing, coordinating and implementing strategies to prevent, identify, control or remediate surface or groundwater contamination.*
