MEETING YOUR INDUSTRIAL STORM WATER PERMIT REQUIREMENTS

Wednesday, January 15, 2003, from 6:30 to 8:00 PM

Sun Valley Recreation Center
8133 Vineland Avenue
Sun Valley, CA 91352

Presented by:

California Environmental Protection Agency
California Regional Water Quality Control Board, Los Angeles Region

Is your business in compliance with storm water regulations?

*What are the consequences if you violate
the General Industrial Activities Storm Water Permit¹?*

Please join us for this important workshop. Staff from the State of California (Regional Board) and the City of Los Angeles will conduct a workshop for operators of industrial facilities in Sun Valley to help them better understand the importance of protecting water quality, compliance issues, and the consequences (penalties) that may arise from violation of the General Storm Water Permit. You may call Matt Yeager at (213) 620-2097 if you need more information about this workshop.

¹ *General Permit for Discharges of Storm Water Associated with Industrial Activities* (Order No. 97-03-DWQ), issued by the State Water Resources Control Board and enforced by the Los Angeles Regional Water Quality Control Board (Regional Board).
