Order No. R1-2002-0037

REVISION OF MONITORING AND REPORTING PROGRAM NO. 92-107

FOR

California Department of Forestry
923 Patricks Point Drive
Trinidad

Humboldt County

1. On April 30, 1998, Lee A. Michlin, Executive Officer of the North Coast Regional Water Quality Control Board issued revised Monitoring and Reporting Program No. 92-107 for the California Department of Forestry facility located at 923 Patricks Point Drive in Trinidad (Site). The Monitoring and Reporting Program contained requirements for monitoring and reporting data collected from the monitoring wells and treatment system installed at the Site.
2. On September 14, 2000 Regional Water Board staff concurred with the request for No Further Action related to petroleum discharges at the Site. The monitoring wells and extraction trench were destroyed in November of 2002. Based on the available information, it is appropriate to rescind Monitoring and Reporting Program No. 92-107.
