## North Coast Regional Water Quality Control Board

May 15, 2013

Mr. David Ripple  
Shamrock Materials of Cloverdale, Inc.  
P.O. Box 808044  
Petaluma, CA 94975-8044

Dear Mr. Ripple:

Subject: Rescission of Cleanup and Abatement Order No. R1-2004-0072

File: Shamrock Materials of Cloverdale, Inc., 30022 Levee Road, Cloverdale, CA  
WDID No. 1B4012OSON

This correspondence rescinds Cleanup and Abatement Order No. 2004-0072, issued to you on August 18, 2004, for discharges of concrete waste material to surface waters and groundwaters in Cloverdale. In 2005, North Coast Regional Water Quality Control Board (Regional Water Board) staff confirmed that facility structures had been changed to control and abate the discharge of concrete waste. On November 13, 2012, Regional Water Board staff received confirmation that operations at the Cloverdale Facility will no longer take place. Therefore, Order No. R1-2004-0072 is hereby rescinded.

Please contact Paul Keiran of my staff at 576-2753 or at [Paul.Keiran@waterboards.ca.gov](mailto:Paul.Keiran@waterboards.ca.gov) if you have any questions regarding this matter.

Sincerely,

Matthias St. John  
Executive Officer
