Subject: Public Comments on Draft Wine, Beverage & Food Processor WDR and Waiver.

Dear Mr. St. John:

This letter communicates Kennedy/Jenks Consultants agreement with the comments submitted by Wine Institute on the Draft General Wastewater Discharge Requirements (WDR) for Wineries, Beverage, and Food Processors (Draft Order No. R1-2014-0041). We have the same concerns with the Draft General WDR as expressed by the Wine Institute in their letter.

However, we also want to thank you for taking the time to meet with the various wine companies, listen to their concerns, and have a discussion about those concerns. Your professionalism, and that of your staff, is greatly appreciated.

If you have any questions or require clarity, please don't hesitate to contact myself, or Bob Chrobak. I can be reached at [SusanneZechiel@KennedyJenks.com](mailto:SusanneZechiel@KennedyJenks.com) or (415) 385-4908 and Bob can be reached at [BobChrobak@KennedyJenks.com](mailto:BobChrobak@KennedyJenks.com) or (415) 243-2524.
