- The issuance, modification, or revocation of any water quality control plan, water quality objectives, or waste discharge requirements;
- The issuance, modification, or revocation of any cease and desist order;
- The holding of any hearing on water quality control plans; and
- The application to the Attorney General for judicial enforcement but excluding cases of specific delegation in a cease and desist order and excluding the cases described in Water Code sections 13002, subdivision (c), 13304 and 13340.
