On the basis of preliminary staff review and application of lawful standards and regulations, the California Regional Water Quality Control Board, North Coast Region (Regional Water Board), proposes to rescind the subject Monitoring and Reporting Programs (MRPs) associated with Timber Harvest Plans No. 1-00-040 SON and No. 1-99-464 SON. The rescissions are due to the withdrawal of the California Department of Forestry (CDF) approved Timber Harvest Plan No. 1-00-040 SON and the withdrawal of CDF consideration for approval of Timber Harvest Plan No. 1-99-464 SON, thereby eliminating the Projects and associated activities.

A public hearing to consider rescission of the MRPs will be held on August 10, 2005, at 9:00 a.m. or as soon thereafter as practicable, at the Regional Water Board's offices, 5550 Skylane Boulevard, Suite A, Santa Rosa, California.

Interested persons should submit to the Regional Water Board office at 5550 Skylane Boulevard, Suite A, Santa Rosa, California, 95403, written material concerning the rescission of these orders by 5:00 p.m. on July 27, 2005. This written material will be submitted to the Regional Water Board Members and become part of the file along with the full agenda materials.

The tentative Order, related documents and comments received are on file and may be inspected or copied at the Regional Water Board office, 5550 Skylane Boulevard, Suite A, Santa Rosa, California. Appointments are recommended for document review. Appointments can be made by calling (707) 576-2220.
