Public Hearing Procedures

A public meeting to consider comments and objections to the proposed Cease and Desist Order is scheduled for December 11, 2008, at 8:30 a.m. or as announced in the Regional Water Board's agenda. The meeting will be held in the Regional Water Board Hearing Room in Santa Rosa. At the hearing, the Regional Water Board will consider whether to affirm, reject, or modify the proposed Cease and Desist Order, or take other action.

In order for the Regional Water Board to consider material concerning this hearing, any documents, including written technical reports and other evidentiary material, must be received by the Regional Water Board no later than 5:00 p.m., on October 27, 2008, at 5550 Skylane Boulevard, Suite A, Santa Rosa, California 95403. All documents that are received timely will be distributed to the Regional Water Board members and interested persons. These records will also become a permanent part of the administrative record for this public hearing.

Written material received after the above date will not be accepted, except at the discretion of the Regional Water Board Chair. Untimely written material will not be accepted or incorporated into the administrative record if doing so would prejudice the Discharger or the Regional Water Board staff. upon a showing of severe hardship (California Code of Regulations, Title 23, Sections 648.1 and 648.4).

All those who plan to testify at this hearing must submit written statements to the Regional Water Quality Control Board no later than October 27, 2008. The statements should provide the name of the witness, his or her qualifications (if an expert), and the scope of his or her intended testimony. These time limits normally allow no more than 10 minutes each for Regional Water Board staff and Dischargers. All speakers are expected to honor these time limits. Other interested persons may also provide testimony at this public hearing. However, any testimony given by someone other than staff or the Discharger, may be limited to three minutes and may only be given under the limited scope of summarizing or explaining any timely-submitted or late-accepted written evidence. No new evidence will be allowed to be presented at this public hearing. In an effort to be fair to all people who wish to testify at this public hearing, the Regional Water Board Chair may choose to use a timer to ensure that individuals stay within the time limits set by the Chair. The Chair also requests that in order to avoid unnecessary repetitive testimony, that one spokesperson be selected to speak on behalf of many individuals, when those individuals share a common affiliation or interest.
